

2026 Trade & Craft Site Booking Form

The Domain, Alton Street, Omakau - Saturday 14th February 2026

The Committee of the Central Otago A&P Association wishes to thank you for the support you have given us in the past by attending our Annual Show Day with your trade or craft display.

If you are new to our show we welcome you and hope you have a profitable day with us. We understand that there is a great deal of time and effort required to erect your display and we appreciate the spectacle and atmosphere you add to the day. We are confident that your presence and availability will benefit your business and trust that you have an enjoyable day meeting both old and new customers.

Our Trade Display personnel will be placing sites in as ideal areas as possible. Please note any preferences you may have below and we will endeavor to accommodate you.

Booking Information

In order to reserve your site you can do so through the secretary with the below form or [Book Online](#). All bookings are required by 29 January 2026 and will require payment to confirm reservation of a site.

Power & Water

When booking please advise if you require water or power on the day.

There are limited sites with power and/or water, so if this is not requested prior then it is highly unlikely a request will be able to be accommodated for on the day. When booking online, these options can be found in the extras section, along with the option to purchase additional tickets.

Remember there are cash & sash prizes for the best Trade and Craft displays

If you have any further questions or require assistance with online registration please contact our secretary.
